ABOUT NEXTGEN STUDY ABROAD

COMPANY OVERVIEW

WHO WE ARE

NextGen Study Abroad is your gateway to global education. We guide ambitious students from first conversation to boarding gate across consultancy, admissions, student visas and English-test preparation, in 16 study destinations worldwide.

Our Mission

To make world class education accessible to every ambitious student with honest advice, expert execution and genuine care at every step of the journey.

Our Vision

A world where a student's potential, not their postcode, decides where they can study and where NextGen is the most trusted name guiding them there.

OUR SERVICES

What We Do

01

Study Abroad Consultancy

Personalised guidance on country, university and course selection, matched to each student's academic profile, budget and career goals.

02

Student Visa Assistance

End-to-end support with documentation, financial proofs and mock visa interviews to maximise approval chances.

03

Admission Guidance

Hands-on help with SOPs, application essays, letters of recommendation and the full university application process.

04

IELTS / PTE / TOEFL Preparation

Structured strategy sessions, expert coaching and full-length mock exams to help students hit their target scores.
